Time passes--Colossal Studios is now on location in a Mexican Bull Ring---
Camera Booms are set up for action---

But first, Katy poses for Publicity Pictures ---

in different costumes and
poses designed especially
for this movie by her fans--

Finally Production begins, K.O. and Chubby are in Costume and make a fine-looking Bull and that's no bull!

K.O. and Chubby do a superb job of playing the Bull...
but--ohmygosh! Gigi is about to spoil the act!

Katy fearlessly does a terrific job of fighting the real bull ...

She even has him eating out of her hand!

She gives the Big Bull a hug and a squeeze and whispers into his ear ...

The Bull calmly walks out of the ring as the crowd yells and sombreros fly ...

Katy proudly makes her exit ...

Will You Help This Tiny Dog Get Home?

Join the fun. Everybody can win. This poor little dog is lonesome and wants to get a home. It is now in the center of the field and is trying to get to its little home at the top by going along the paths and through the gates. Can you help show it the way? Take a pencil and draw a line from the dog to the house along the path for it to follow so that it does not cross a fence (line), then cut out the puzzle and send it to us with your name.
